

## CLOSURE PLAN APPROVAL AND CEQA

### 4.3 - FINAL CLOSURE PLAN APPROVAL

This step begins after the public comment period on the Draft Closure Plan (CP) and the CEQA determination has ended and a response to comments summary has been finalized.

#### Actions by Permit Writer

1. If necessary, the CP is revised in accordance with response to comments. A listing of all revisions and a reason of why they were revised should be attached to the back of the CP.
2. Prepare a letter to the facility notifying them that their CP has been approved (see Appendix B for a sample approval letter).
3. Have Branch Chief sign CP approval letter and send to facility.
4. Prepare and send CEQA notice of determination (NOD) package signed by the Branch Chief (see Appendix B for a sample of a NOD form). The NOD package should include the NOD, Negative Declaration, and Initial Study and be sent to Gunther Moskat, Department of Toxic Substances Control, 400 P Street, P.O. Box 806, Sacramento, California 95812-0806.
